

2009-10 Season: Successful Leadership in Difficult Times

# Values: The Bedrock of Leadership

**In the midst of our current economic crisis,.....**

we enter into our 2009-10 Fusion Leaders season focusing on developing leadership that will make a difference in people's lives; at work, family, church, and community. Now, more than ever, the need for biblically and integrity based leadership is critical. Dr. Tom Buckles, Executive MBA Professor with Biola University will be our teaching leader this year. We will delve into Chapter 1 "Values: the Bedrock of Leadership" of Dr. John Townsend's book, "Leadership beyond Reason". Join us for this unique opportunity to learn and be inspired by business leaders who, through their faith integration, are examples of leaders equipped for our current challenges.

## HOW FUSION LEADERS WORKS

**Inspiration** – listen to business luminaries share their leadership lessons.

**Discuss** – in Affinity Groups discussing issues, challenges, and solutions.

**Encourage** – receive spiritual and practical encouragement

**Application** – go forth and fuse what you've learned to your workplace

**Accountability** – follow up with your Affinity Accountability group.
